Kennington ward has many challenges:

- ✗ **Relentless move to more & more executive style houses in many cases too large to meet LOCAL needs**
- ✗ Negative impact on environment and roads, including HGVs, parking, speeding, cut throughs
- ✓ Suitable bus frequency & timetables
- ✓ Ensuring adequate infrastructure, including water supply, drainage, sewerage, flood protection, access
- ✓ Good all-encompassing development not just houses
- ✓ Protect beautiful Kent landscapes and preserve our highly valued green areas
- ✓ Enhancing Kennington for the next generations
