Ashford Borough Elections 2nd May

Ashford
Independent

Dear Residents

I am standing to represent you, and our community, at the Borough Council Elections on 2nd May.

I am fiercely supportive of having a local voice in Borough Council decision making.

I have attended many meetings throughout the development of the Local Plan 2030 that will shape the whole of our Borough, including all its rural villages and the urban areas.

Rural Parishes and urban areas will continue to bear the effects of speculative development and the building of properties driven by commercial greed not local need. Meanwhile Government Policies drive targets that are about the quantity of build rather than the quality of life of residents. We can't fight the Government, but we can help shape the local decisions to reflect local concerns.

A local voice

I am Ashford born and living in the ward so understand the issues and concerns. I do not believe that Ashford Borough Council has listened to the wishes of our community. The urban areas of Ashford feel that they have been neglected. Bybrook needs a strong voice. I am standing to ask you to let me represent you as your Borough Councillor.

Until now our Conservative led Council has had its own way. We need to provide credible opposition to challenge, scrutinise and set an alternative agenda that is about the people of Ashford Borough, every age group, dynamic and lifestyle. We need to call the Council to account.

With your vote I can help make that happen. It's time to be bold; to make a difference and allow me to represent the many people who feel disenfranchised and ignored.

*Ashford

IT IS TIME FOR CHANGE!

Vote for me and I promise to challenge poor decisions that have no regard for local people, the environment or that are potentially damaging to our community.

No National Party Politics

Ashford Independents are the credible alternative. We stand with others in other wards. We do not have a Party Whip. This means that every Ashford Independent Councillor is free to represent the views of the community that elects them, not National Party policies.

It's time to be bold!

Make a difference. Vote Ashford Independent. I have the courage to stand for you and challenge decisions that affect our community.

Choose me on 2nd May

- I live on Faversham Road and know Bybrook very well.
- I think that our Borough Councillors have let our community down.
- I want ACTIVE representation of Bybrook Ward in Ashford Borough Council
- I will provide YOUR VOICE inside the Council, speaking up for our community.
- I am standing as an Ashford Independent to represent local views, not National Party Politics.
