

POLITICS IS **BROKEN**
BUT SHOULD IT AFFECT
LOCAL ISSUES?

VOTE FOR YOUR INDEPENDENT

✓ **IAN ANDERSON**

I WILL TABLE YOUR MANY CONCERNS

TAKE PROPER CONTROL OVER YOUR COMMUNITY

VOTE FOR CHANGE

- ✓ Who are all these luxury five bedroom houses for?
 - > 1-2 bedroom units as basic
- ✓ Why is related infrastructure not given the same attention? >
Transparent & fully open discussions *based on local community opinions prior* to any decisions.
 - Is there enough proper thought given to related highways and not just houses - e.g. Why not put in yellow lines where the actual residents want them?
 - Why is sufficient attention not given to existing capacity of water supplies and treatment plants for effluent let alone meeting future demands?
 - Why are there so many complaints about roads, water supply, sewerage disposal, inappropriate planning and no proper technical discussions?
- ✓ Why a new parish council when Ashford Borough Council only pays lip service to issues raised by most locals?
- ✓ What is the extra levy on the rates to actually pay for and has this **really** been fully discussed?

KENNINGTON ward has many challenges, which I will strive to meet on behalf of you the local residents

- * Prevent new HOUSING being forced into the area that already suffers constrained ACCESS TO/ FROM the overstretched William Harvey with MORE & MORE VEHICLES linked to MORE & MORE new housing developments.
- * Stop bringing traffic to a standstill and creating no-go routes for emergency vehicles.

Do not expect me to be able to stop what the Conservatives have already pushed on you, HOWEVER I can question everything PROFESSIONALLY and if all AIA Independent Candidates succeed, there will be an end to the **ABC blank cheque. [Be sure to speak to your friends]**

- ✓ You can always be assured a quick response from me on matters you raise. (ian.kennington.ai@gmail.com)
